THE SPOT

FBC SAMOS – (Samos Windsurfing) is on the northern coast of Samos, 5 minutes on foot from the picturesque town of Kokkari. Samos is perfect for entry level, intermediate freeriders, freestylers and speed addicts. The wind blows side shore from the left, and increases the further out you sail. The sailing area is unlimited with a stunning mountainous backdrop and great open sea bump & jump conditions. Swell can generate ramps up to 2 m high on the outside. There is a slight wind shadow to the left of the main center, entry level and kids can practice all day in the safest of crystal clear waters with standing area, even when it is howling outside! VDWS Instruction and certification are offered, and beginner lessons are held in a new perfect spot 3 km away from the center, in Avliaka (shuttle organized free of charge by the center). On top of all this the spot is blessed with an afternoon thermic that guarantees daily planning conditions. Finally, there are no time restrictions here – the center closes when the last windsurfer decides to come off of the water! To top it all up, FBC Samos also offers SUP to make the best out of every hour of each day of your holiday – not to be missed!

THE CENTER

FBC Samos has a really nice relaxed family atmosphere about it and is set up so that all you need is on site. The bar serves ice cold drinks, coffees and snacks at very reasonable prices. Showers, toilets and changing facilities are all here, plus WiFi, free sunbeds and umbrellas. The kid's playground is a firm favourite and there is also a Kids Club with qualified staff. Samos is renowned for its mountain biking and hiking trails and is a paradise for runners and climbers. Quality mountain bikes are available at the center, and the friendly team will tell you the best routes for your level.

SAMOS

An unspoiled Greek treasure, with wind guaranteed on top of it. For outdoor fanatics and authenticity seekers.

Samos, the “Emerald of the Aegean” has acres of pine forests, vineyards and olive groves sweeping down to long stretches of sandy beaches lapped by crystal clear Aegean waters. Inland water springs, tracks in the highlands, caves and demanding routes in the mountains make Samos a top destination for mountain bikers, trekkers, climbers and runners. That's before we tell you about the windsurfing! Samos really is an authentic place of nature. The beautiful and diverse scenery is hard to put into words. Go and see for yourself – you won't be disappointed!
