FBC LANZAROTE – JUMP & FREESTYLE 2012

Fanatic the Boarders Center will be holding a “JUMP & FREESTYLE” windsurfing camp with **Tom Brendt** of Windsurflabor.de at **FBC LANZAROTE** from **10 June – 15 June 2011**. Radically improve your carving and riding, bring your board in the air and learn how to ride the waves! The camp is open to both men and ladies and languages used are English, German, Spanish and Italian. We offer you a top expert on hand every day to help improve your skills, un-stick those sticking points and smooth out any rough edges. In other words, a World Cup Trainer dedicated to making your dreams come true!

FBC LANZAROTE is **PERFECT** for this camp. The wind is sideshore from the left increasing in strength the further out you sail, with lighter winds and flat water inside. Once you sail out of the bay a very nice reef delivers rolling swells, a wave that breaks really nicely but with little power, and lots of space between the waves. Lanzarote has stunning volcanic landscapes, top surfing and SUP spots all over the island, trekking and mountain biking, all types of cuisine for all taste-buds, great night life and superb value for money.

TOM BRENDT - Tom Brendt has been successfully running camps around the world for years now, and is not only a top level sailor and talented photographer, but also the trainer of Fanatic Pro Riders including 4 times World Champ Freestyler Gollito Estredo and Ladies Champ Freestyler Yoli De Brendt! You can read more about Tom on the Fanatic [website](http://www.fanatic-boarderscenter.com).
