FBC MOULAY – WAVE SPECIAL #2 (BOARDERS CAMP)

Get into wave sailing and radically improve your wave riding and jumping, as well as your other board riding skills. In 2012 Fanatic the Boarders Center will hold the second “**WAVE SPECIAL**” windsurfing camp with **Tom Brendt** of Windsurflabor.de at FBC Moulay: **19.09 – 24.09**. As well as working on your windsurfing this camp will also include SUP and surfing – you will leave the camp as an all round boarder! The camp is open to both men and ladies and languages used are English, German, Spanish and Italian.

FBC MOULAY is **THE** perfect location for this camp as there is almost no shorebreak, a constant sideshore wind from the right, nice long safe rides and space between the waves. The Café Resto directly overlooks the action at the spot and is the perfect de-briefing area and rest/recovery place between sessions! Top top kit is of course on offer, the best windsurfing you can imagine, and great service from the team. Of course, a holiday isn't only about windsurfing (for some people!), and Essaouira will enchant you with its Medina, harbour, little cobbled streets, incredible food, hospitality and unique atmosphere & architecture. You have been warned!

TOM BRENDT - Tom Brendt has been successfully running camps around the world for years now, and is not only a top level sailor and talented photographer, but also the trainer of Fanatic Pro Riders including 4 times World Champ Freestyler Gollito Estredo and Ladies Champ Freestyler Yoli De Brendt! You can read more about Tom on the Fanatic [website](http://www.fanatic.com).
