### FBC TOBAGO – GET ON BOARD – 1<sup>st</sup> STEPS TO STRAPS

Fanatic the Boarders Center will be holding a Fanatic Pro Camp with the dream team **Tom Brendt and Yoli De Brendt** of [Windsurflabor.de](http://Windsurflabor.de) at our fantastic new spot **FBC TOBAGO** from **04-09 December 2012**. The camp is open to both men and ladies and languages used are English, German, Spanish and Italian. We offer you 2 experts on hand every day to help improve your skills, un-stick those sticking points and smooth out any rough edges. In other words, two World Cup Trainers dedicated to making your dreams come true!

**FBC TOBAGO** is really ideal for this camp. Flat water on the inside with chops on the outside, with wind blowing side shore from the right, shallow standing areas, warm temperatures and pure white tropical sand under your feet. It's a windsurfer's dream and a perfect spot for beginners and intermediates. The center is a few steps from the water's edge and located on a pure white sandy beach in a beautiful heritage park. The whole island will surprise and delight you with a wonderful Caribbean feeling.

**TOM BRENDT** - Tom Brendt has been successfully running camps around the world for years now, and is not only a top level sailor and talented photographer, but also the trainer of Fanatic Pro Riders including 4 times World Champ Freestyler Gollito Estredo and Ladies Champ Freestyler Yoli De Brendt!

**YOLI DE BRENDT** - Born in Venezuela, Yoli is full of energy, talent and fun. Yoli will be able to share all the little tips and tricks that any girl should know to improve on the water adapting to each student's level, strengths, rhythm and dreams. Girls rule!!
